

Contactless Attendance Register iDMe

Scanning option (Hobsonville only)

Step 1

Please go to www.idme.co.nz to create your own personal QR Code on your phone with your contact information (name, address, email, phone number) then save it on your phone home screen. You only need to do this once.

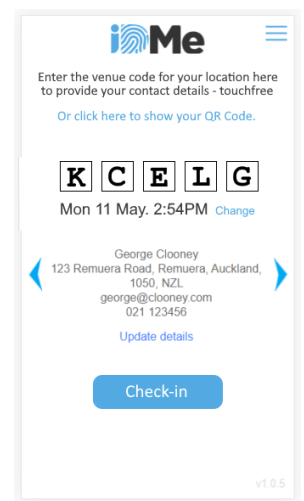

Step 2

Once saved, your personal QR Code displays on your phone even without wifi or data. You can then show your personal QR Code to our scanner to be **signed in** (Hobsonville only) and provide your details for contact tracing, completely touch-free.

Self check-in option

Step 1

You don't need to be scanned. Go to www.idme.co.nz to create your own personal QR code on your phone and save it on phone home screen. On your QR code click on the manual sign in and then enter the 5 character venue code and click on Check-in.
